

BUDDY RHODES COLORS

BR LIQUID COLOR

When added to the mix water, BR Liquid Concrete Color ensures proper disbursement for a rich, intense and uniform color. The BR Liquid Color will not fade or streak. Convenient pre-measured jars are each formulated for 2 bags of the Buddy Rhodes Concrete Mix. Also sold in 3 gallon pails.

BR COLOR PASTE

Our color paste for producing the veined look or filling cracks and bug holes available in all these colors as well.

*The printed color chart may not exactly represent finished concrete.
4" color sample boxes are available to order through distributors or online.*
